Baptism

**Matthew 3, Acts 2**

From what we read in Matthew 3:

Why was John baptizing?

Why did Jesus decide to be baptized?

What does the word baptism mean?

What does the act of baptism represent?

According to Jesus, who should be baptized?

Does the Bible teach when baptism should occur?

Why do we baptize in the name of the Father, Son and Holy Spirit?

Reflection:

If you have been baptized, why were you?

What did it mean to you? What does it mean today?

If you believe in Jesus and have not been baptized, why not?
