The Immigrant Redeemed

Ruth

God's central idea in establishing a chosen people/nation was:

The end goal was (and is) the offer of:

The center-piece of this promise was:

The narrative through which the Jews and the world waited for Messiah is called:

The context of the narrative has always been and still is:

The Ruth story mentions various protections that God mandated for Israel; can you name others that we find in the Old Testament?

Redemption means:

Lessons we learn from the book of Ruth –
