The Spirit of Restoration

Galatians 6:1-2, Matthew 18:15-20

We are family

We are a fallen family, we all sin

When someone gets caught

Maturity

Restoration

Gentleness

Warning

Carrying our burdens together

Reflection:

Restore does not mean to invent or create, it means to bring something or someone back to original condition; so when Paul asks us to restore, what condition are we getting back to?

How can I bring my life into alignment with the instructions Jesus gave in Matthew 18?
