Help Me to Jesus

**Mark 2:1-12**

Is spiritual faith only personal? Can it ever be collective? Explain:

What miracle does Jesus perform in the life of this unnamed man?

I believe the main problem in the world today is:

- Income inequality  Racism  
 Human suffering  Sin  
 Natural disasters  Political ideologies  
 other

Answer the question that Jesus asked in vs. 9 – which is easier...  
to forgive the man's sin, or to heal his body?

In your circle of influence, who needs the miracle working power  
of God right now? Who needs to come to Jesus and be forgiven?  
Write a prayer asking the Lord to use you, to bring them:

1 Peter 3:15 says that we should always be prepared to give an  
answer to those who ask the reason for our hope. Has anyone  
asked you about that recently? Is your answer ready?

For next week, study: Acts 19:1-12, Matthew 12:38-39
