

Series: Without Question, # 2

God Created

Among world religions, what claims are common to many, and which are unique to the Christian faith?

Do you find it easy to believe that God created us and the world by the word of his power?

Do you think science can prove the Creation account?

Can science refute the Biblical version of how the world came to be?

If we have faith in God, should scientific truth/research not mean anything to us?

Write a prayer: Lord, I feel you are calling me to glorify you by...

Creation

How and why did God create us?

God created us male and female in his own image to know him, love him, live with him and glorify him.

Genesis 1:27

Prayer: Maker of all, let us not lose sight that we, and every human being you have made, are created in your image. Never let us doubt this about ourselves, or any other person, for to doubt creation denies you the glory due your name. Your likeness glimpsed in us testifies that we belong to you, body and soul. Amen.

What else did God create?

God created all things by his powerful word, and all his creation was very good; everything flourished under his loving rule.

Genesis 1:31

Prayer: Lord who spoke the world into existence, we marvel at your creation, even though it has been corrupted. Your beauty is revealed in the splendor of the stars, your might is shown forth in the strength of the hurricane, your order is displayed in the laws of mathematics. Let everything that has breath praise the Lord for the works of his hands. Amen.

How can we glorify God?

We glorify God by enjoying him, loving him, trusting him, and by obeying his will, commands and law.

Deuteronomy 11:1

Prayer: Gracious Lord, we want to fully know you and enjoy you. Open our eyes to see you as you are that we might trust you, and long with all we are to keep your commands. Whether through small kindnesses or great courage, may each act of obedience bring you glory. Amen.
