

## **Sermon Notes:**

### Personal Outreach Plan for 2021

If you can say with certainty: 1) God loves me, 2) Jesus saves me, 3) the Holy Spirit fills and guides me, 4) I am forgiven and offered abundant life and eternal life – then obviously you cannot just be thankful for all of it, and ignore that God wants others to enjoy the same spiritual blessings. You did not hear the good news direct from God's mouth, someone who loves God told you; and we need to be those who carry on that joyful task of spreading the light!

This year at Hope Church, we are encouraging each one to formulate a plan that involves praying for, showing practical love to, and sharing the good news with those who do not yet know salvation in Jesus.

Who I am praying for? List the names of friends, relatives, neighbors, professional or school contacts:

Action steps:

Purpose to pray for them regularly, by name

Find time to be together, build your relationship

Listen to their spiritual story, and ask questions

See if there are ways you can serve them, and vice versa

Share your good news story, and invite them to respond
