In this series taken mostly from the Gospel of Luke, we will examine weekly the commands of Jesus, teaching given in the ‘imperative’ form. And then we’ll ask ourselves if we are disciples or not, based on the evidence of our daily living...

Read Matthew 19:16-21 – what did the rich man understand about the law?

Read Philippians 3:6-8 – how did Paul judge his own law abiding?

Reflect on your own spiritual life right now: what is the motivation for obedience to Jesus?

How might that need to change, based on the words of John in the passages listed above?
